

**CALOS UPDATE CHALLENGE #1**

During this time apart CALOS Youth Orchestra Faculty are trying to ensure that everyone is engaged and practicing. We are ever hopeful that we might play again before our season concludes in June for what we hope will be our CALOS – *A Celebration of Renewal* Concert. This past week all our orchestras were busy practicing excerpts from Wicked (Seniors), Crocodile Rock (Strings) and Star Wars (Concert), presenting them to their conductors and coaches for feedback. Remember that the focus is on practice and not necessarily perfection. It is the practice that hones our skills.

We were very pleased with the participation level for this event and can boast that 84% of all ensembles sent in Challenge # 1. That is a great turn out considering some of our International high school students have returned home. We wish them well and hope they are staying safe surrounded by family and friends.

**And, if you would like to see a sample of last week's challenge submission, go to our website and view Maria Pearcey (Senior Orchestra) playing her "Wicked" Cello.**
