Recorded Audition: Out of province musicians are asked to prepare and record their performance of the audition music which can be found on our website – www.calosmusic.ca. Here are some guidelines that you can use to help you prepare for your audition.

- 1) New musicians must complete the [audition form](#). We will be in contact with you shortly afterward.
- 2) New musicians should access the audition material that can be found under the tabs to the left on this webpage. Download and print the information PDF for your instrument. If you have problems, please contact getchegary@gmail.com
- 3) **Prepare for the audition.** If you are taking private lessons, consult with your teacher for help in preparing. If you have any questions or concerns, please contact Grant Etchegary at getchegary@gmail.com. We are here to help you.
- 4) For the live audition option, the whole process will take no longer than fifteen minutes. During this time you will have the opportunity to perform for and speak with the artistic team of the Calos Youth Orchestras. The audition panel is extremely friendly and the audition experience is very casual. Though it is easy to say, there is really no reason to be nervous.
